

Any Other Way

Amaj7 **Dm**

I've been alone for so many years

Amaj7 **Dm**

Completely independent, but when I look in the mirror

Amaj7 **Bm7**

I know deep inside

C#m7 **F#m7** **Bsus** **B** **Bm** **D/E**

There's a longing for someone to hold and love

Amaj7 **Dm**

I've wondered and I have questioned

Amaj7 **Dm**

Is this really love

Amaj7 **Bm7**

But when I close my eyes

C#m7 **F#m7** **Bsus** **B** **Bm** **D/E**

It's your face that I see and my heart is filled

Dmaj7 **D#m7(b5)**

So I take you this day to have and to hold

A/E **F#7**

And I'll love you with each passing day

Bm7 **C#m7**

I'm your man, you're my woman

Dmaj7 **D/E** **Amaj7**

And I wouldn't have it any other way

(Amaj7) (Dm F/G D/E) (Amaj7) (Dm F/G D/E)

Amaj7 **Dm**

The first time I saw you, you captured my attention

Amaj7 **Dm**

Your grace, your beauty and not to mention

Amaj7 **Bm7**

The way that you cared

C#m7 **F#m7** **Bsus** **B** **Bm** **D/E**

And the way that you showed you believed in me

Amaj7 **Dm**
You're a diamond, baby, cut from the finest of stones
Amaj7 **Dm**
And a treasure, I want to possess as my own
Amaj7 **Bm7**
So I lay down my life
C#m7 **F#m7** **Bsus** **B** **Bm** **D/E**
To serve and to cherish and love you

Dmaj7 **D#m7(b5)**
So I take you this day to have and to hold
A/E **F#7**
And I'll love you with each passing day
Bm7 **C#m7**
I'm your man, you're my woman
Dmaj7 **D/E** **Amaj7**
And I wouldn't have it any other way
