

# I've Been Washed

Tom and Susanne Ewing

## Gm

He lifted me from the miry clay  
He rescued me when there was no other way  
I was lost but He found me  
I was blind but now I see  
Now there's no turnin' back  
'Cause I'm on the right track  
For the joy that is waitin' for me

Now I will testify  
About the goodness of the Lord  
And I will glorify  
My Jesus for all that He has done  
He set my feet upon a rock  
Filled me with His power and His love  
Now I pray the prayer of faith  
Nothing can stand in my way  
Got my eyes on heaven above
