**C#m, B, A, A,**

## **Verse**

It's an open invitation  
It's an open invitation  
To respond to Your call

## **Pre-Chorus**

We say, yes, manifest Your presence  
We say, yes, manifest Your presence

## **Chorus**

Have Your way, Oh God  
Captivate our hearts  
Have Your way, Oh God  
Consume our every thought
